**MEMORANDUM FOR THE RECORD**

**SUBJECT: JRC/CIA Agreement on Reconnaissance Notifications**

1. This subject was discussed in detail with Col. Felices, JRC, in connection with detailed procedures with particular reference to the OXCART program.

2. The only action contemplated by JRC in connection with the OXCART program and BLACK SHIELD is the notification of CINCPAC. Subject notification is, in fact, a part of the procedures which we have established for OXCART.

3. JRC maintains a book covering the procedures outlined for each program. Detailed procedures for [redacted] INTELINT and OXCART have been developed to satisfy the peculiar needs of each program. It is not intended that the procedures will change as a result of the subject agreement except as it pertains to the deletion of AFXOPR as the action Agency and the addition of JRC as the action Agency. At the time OXCART is actually deployed, and if it is deemed necessary, an additional agreement can be placed in the file reflecting the above position.
